

# MARVELS GARDEN

The house dates from around 1450 and is a medieval Hall House, set in 2 acres of garden and surrounded by farmland.

Surrounded by beautiful English Countryside, the small village of Pebmarsh was settled around 1086 and steeped in history.

There is a beautiful village church and the village pub, the Kings Head, is community-owned.

## ***Accommodation & Transportation***

There are a number of local B&Bs and hotels (list coming soon), and our organisers we will be ***helping to arrange transport to and from the premises to Colchester Train Station.***
